

# How to make your own CdLS bunting

## What you'll need

- Colour Printer
- Sheets of white A4 paper
- Hole punch or stapler
- String

## Instructions

1. Download and print the party bunting PDF. Each A4 sheet of paper makes 6 bunting triangles, so print as many as you need.

2. Cut the A4 sheets into bunting triangles.

3. Make two holes in each triangle and thread the string through all of the triangles.

or

3. Staple the string to the top of each triangle.

4. Tie up your string of bunting.
